RE: PCHEES is ready to receive 2024-25 submissions
Date: August 28, 2024

PCHEES annual data maintenance is complete. PCHEES is ready to receive data for academic year 2024-25.

The [PCHEES Data Submission Guide](#) has been updated. The new version is 1.21.

Changes to the document and lookup table data include:

- Major formatting changes throughout the Submission Guide document
- CIP codes updated with new STEM and high demand flags
- Added a nation: Cocos (Keeling) Islands
- Modified some Hispanic origins with updated spellings
- Reassigned two counties to rural status (Columbia and Pend Oreille)
- Updated high school and institution CEEB codes with latest data from the College Board
