

TO: PCHEES Data Submitters at Participating Institutions
RE: PCHEES is ready to receive 2023-24 submissions
Date: August 3, 2023

The Public Centralized Higher Education Enrollment System (PCHEES) is ready to receive submissions for academic year 2023-24.

The [PCHEES Data Submission Guide](#) has been updated with submission deadlines for academic year 2023-24. This document is also available within PCHEES by pressing the Help button.

Note that we are delaying implementation of a funding source for reporting non-state funded high school student enrollment. We identified a few concerns and are actively working to find resolutions.

If you have any problems submitting data for academic year 2023-24, please email the pchees.helpdesk@ofm.wa.gov.
